Hi I bought this Suzuki about three weeks ago. Two days after I bought it my good friend that went with me to buy the bike was killed in a motorcycle accident. Some idiot pulled out right in front of him and he was killed on impact. The reason I say this is because my wife gets upset when I talk about riding it. I have decided to sell it instead of it just sitting there. It just needs the carbs cleaned. I started to take them off so I could clean them myself but my wife did not want me to touch it. It has new tires. This bike has the

go. I am located in New Port Richey. If you're reading this ad it is still available.

I am willing to trade for a trailer. I can add money or things to make it an even trade. I want it to be a minimum of 12 feet long.
